One more, yust to knock goer fuckinghead off

Believe it, Thys really happened. **It was.**

The reporfer acfually Fried to cover it, cause .he

had person a l | goi r s : at sake.

At lest we 0cgught him . . .

**HE WAS, GET THIS PRYING INTO
OUR PERSONAL-INFO !!!**

THIS WAS ABSTRACT .

we had readmefiles!!!

is loaded .

LCOW
So, we, first bugged him, then irritated him,
then annoyed

him. Then, eh hehhehheh, **FUCKED-HIM-
OVER**

He killed someone's Grandma!

We couldn't believe, and we WILL spare
 you the details. It was over a personal
 grudge, you know like the

! |@||M/.con

mafia. Or your localloyalgov'tU.

Blood is like
the life

It just flows&flows

fuck you +
 † |
 go o hel .
 I am already
 afrekend =

I agree, ^L44 Hz is NOT enough ! ! ! '

Energy. Give me more, Energy, Not POWER

FUCK OFF + suffer to the ntorturels
This is what he thought,
Before he died.

He walked in her door broaddaylight,
raped-her, stole all her valuables,
ripped her place to fucking pieces \ ! !
! burned it down with --a timed fused-
sodiumnitrate-plasmicreactor ^(Why?)

What reolly gets me is th FUSIONpart. Try clay.
Try electricity . Try ANYTHIMZA
