## **Chapter 8**      Spy Kill

Time:      EE 22:34.75, 2013,  
            2nd moon urising  
            2nd moon phase

Prelogue:      Vircingetoris is calmly commuted to his contacts in a minor disguise, let down through a trap-door in the floor of their private complex, brought to a secret laboratory, appearance, acquires new tools & skills & magic, already had psychic-communication with his now new head-quarters, is given a bullet shock-proof padded multifunctionalsuit, and he, Vircengetoris, demi-god rook of the gods & goddesses, is now a **SPY**

## **KILLER!**

His one & only purpose is A.S.A.P. to wipe out the collection of those lying cowardly spies who are the only threat to **Apotheum Colleseum!**

**It doesn't matter anymore: Everything is absolutely uncertain.**
